

Annual Holiday Street Banquets & Children's Christmas Party

The 27th Annual Thanksgiving Street Banquet, Christmas Street Banquet, and Children's Christmas Party are special events designed to reach out to those with limited financial resources and the homeless in our local Tucson community to bring some hope through prayer, music, the sharing of recovery stories, and a delicious holiday meal. Agencies that provide resources to the community are present at each event. The meals and services provided at these events are free to our guests and made possible by generous donations of time, food, beverages, materials, and finances.
